

- NOTICE -

In accordance with RSA 4:30-a, notice is hereby provided of a public hearing to propose replacing two existing Red List Bridges with a single structure spanning the NHRR and Sucker Brook in Andover as described below:

Andover Project 20650, X-A002(084)

The purpose of the Andover 20650 project is to replace two of the existing Red List bridges that carry NH Route 11 over the Northern Trail (NHRR) and over Sucker Brook. Property owned by the Town of Andover, Parcel #15/582-198 (also known as the McDonough parcel), may be classified as conservation land and may also be impacted by the project.

A public hearing will be held on this project as required for approval to lay out the proposed highway. This hearing will be held no sooner than ninety (90) days from the date of this Notice. An additional public notice will be given stating the hearing's specific date, time, and location.
